

The U.S. Commercial Service of the U.S. Embassy in Athens would like to make you aware of this great opportunity, **the 94th Annual Greater New York Dental Meeting**, taking place in New York on November 23-28, 2018.

The [Greater New York Dental Meeting](#), one of the largest Dental Congresses in the world, has again planned an unparalleled educational program for 2018, featuring some of the most highly regarded educators in the field of Dentistry. There is a choice of full-day seminars, half-day seminars, essays, hands-on workshops, glass-enclosed workshops on the exhibit floor, and a Live Patient Demonstration Area that is sure to fascinate even the most discriminating dentist and staff. There is the opportunity for attendees to partake in the many educational programs, but also to visit the Exhibitors on the expansive exhibit floor and to interact with the over 600 Exhibitors. They are there to demonstrate and inform you about new products and technology from around the world.

The 2017 Meeting hosted over 52,000 health care professionals, at the Jacob K. Javits Convention Center in New York, featuring over 1,500 Technical Exhibits which demonstrated the newest technology for the dental profession.

For 2018, The Greater New York Dental Meeting is proud to offer a greatly expanded World Implant Expo, the Fourth Annual Global Orthodontic Conference, 3D Printing Conference, Oral Health Symposium, Pediatric Summit and again Dental Laboratory Education at no Registration Fee. It is important that you and/or your staff members take advantage of the many educational opportunities available, you will reap the rewards immediately.
