Θέμα: Information

Good morning,

I am Martina Milani from the ZirkonZahn company. I am assisting my colleague Barbara (in Cc) with the marketing management in Greece and I would like to ask you some questions.

First of all for updating our database with current general data, I would like to ask you for some information regarding the numbers of

- dental technicians
- laboratories
- dentists
- dental practices

that are present in your association/in Greece.

Moreover, I would to ask you for some more detailed info which events are you planning to do for the following year (2024), so we could review as we are searching for platforms where we could be present.

Thank you I advance and best regards,

Martina Milani
